Case No. PU-I 4-842

**PETITION TO INTERVENE OF
JOHN STECKLER**

Pursuant to N.D.A.C. § 69-02-02-05, John Steckler, by and through his attorneys Derrick Braaten and Matt Kelly (collectively, “Petitioners”), hereby petition to intervene in the above-captioned proceedings. In support of this petition, Petitioners state and allege as follows:

1. Mr. Steckler resides at 2680 53rd Street, St. Anthony, ND 58566. He received documents from Dakota Access, LLC and offers for an easement over his land for the Dakota Access Pipeline Project, and has also received repeated requests for survey permission on his property.
2. Mr. Steckler’s property will be crossed by the Dakota Access Pipeline Project, and he is concerned about impacts to his land. Mr. Steckler has not yet been able to reach an agreement with Dakota Access regarding an easement on his property, and feels it is necessary to protect his interests by ensuring that he is represented in these proceedings.

3. Petitioners have a direct and substantial interest in these proceedings, as well as legal property rights which may be substantially affected by the ND Public Service Commission's findings and conclusions in this matter. Petitioners are intimately familiar with the land they own and rent, and can provide the PSC with specific information related to its routing determination in this proceeding, with respect to their individual lands.
4. Petitioners are not adequately represented by existing parties, and Petitioners' intervention would not unduly broaden the issues or delay the proceedings, particularly given the early nature of the proceedings.
5. Petitioners are not necessarily in support of or opposed to the relief sought by the applicant in this proceeding, but intend to oppose such relief if it allows Dakota Access to cross the lands they own and rent in a manner that will cause unnecessary or unreasonable damage to the land and to their farming operations.

Dated this 14th day of May, 2015.
